Top 5 ways to get
business results from your site
without doing too much work

1	**Accept Payments on-line**	**[Pay button]**
	Add Pay button to Web site. Less than 25% of independent practices Web sites accept on-line payments	

2	**Offer Payment Plans and Recurring Payments**
	Payment plans are very convenient for patients and extend what patients can afford to pay for your services

3	**Pre-register Patients**
	Enter patient information on-line. 73% of patients are willing to pre-register when registration is available on-line

4	**Schedule and re-schedule visits on-line**
	Set time slots for Emergency and Regular scheduled visits in your daily schedule.

5	**On-line store**	**[Buy button]**
	Add Buy button to recommend and offer products (like supplements) your patients are buying somewhere else …
